Blessings in a Backpack Overview

- **Blessings in a Backpack** is a "neighbor-helping neighbor" program that is designed to help meet the nutritional needs of children and families.
- Each week, volunteers distribute backpacks filled with enough non-perishable food for the weekend (six meals) to students in need.
- While it seems unlikely the children in an affluent county like Oakland would go to bed hungry on weekends, in reality, 30% of the students in the school districts are at risk. West Bloomfield has 1,189 children who qualify for this program.
- The goal of the **Blessings in a Backpack** program is to keep these students from going hungry on the weekends and remove barriers to academic success.
- The West Bloomfield program is currently serving over 300 children in our 5 elementary schools, and both middle schools.

Benefits of the Program

- Research shows that healthy, well-nourished children learn better, are more likely to attend school and are able to take advantage of educational opportunities.
- This program is making a difference in the lives of children. Nationwide studies demonstrate:
 - Improved Test Scores
 - Increased Attendance
 - Greater Attention Span
 - Improved Class Atmosphere

Sponsor a Backpack

- We are able to purchase food at a reduced rate. Because of this, your donation of \$100 will provide food to one **West Bloomfield School District** child each weekend for an entire school year!
- All money donated is tax deductible through the 501(c)(3) status of the Community Foundation of Greater Rochester.
